7th February 2025

Dear Parents/Carers,

We are delighted, that on Saturday 1st February 2025, Airedale Academy, Airedale Infant Academy, Airedale Junior Academy, and Oyster Park Primary Academy officially transferred into Castleford Academy Trust.

Over the past week, members of our Trust and academy leadership teams have visited each of the academies who are new to the Trust to introduce themselves, meet pupils, celebrate together and personally welcome them to Castleford Trust. Today, we have shared a small treat with pupils to welcome them to the team. The stickers on the treats display the first look at our new academy logos, which will be shared more widely over the coming term.

This exciting transition marks an exciting new chapter for the school community, opening doors to enhanced educational opportunities and a wider network of support for your child's learning journey.

We are committed to upholding the unique identity and values of each academy whilst also allowing each academy to benefit from shared expertise, resources and increased educational opportunities for your child, allowing them to both thrive and achieve.

Once again, we are proud to welcome Airedale Academy, Airedale Infant Academy, Airedale Junior Academy, and Oyster Park Primary Academy into Castleford Trust. We look forward to working more closely with them in the future and look forward to a bright future together as part of Castleford Trust.

Yours faithfully,
