Autumn 1

I Can Sing A Rainbow

We will learn about:

- Primary colours
- Secondary colours
 - Red
 - Blue
 - Yellow
- Green, orange and purple

- Primary colours are colours that can be mixed together to create other colours.
- Red, yellow and blue are primary colours.
- A secondary colour is made from mixing two primary colours.
- Yellow and red create orange.
- Blue and yellow create green.
- Blue and red create purple.
