Dear Parent/Carers,

### **Autumn 1 After School Clubs 2025**

As a school we are working hard to provide the very best after school activities for our children. During our last academic year, we started to introduce a variety of after school clubs that we thought would capture the children's interests and excite them to stay after school to join in. Therefore, this academic year after discussions with pupils and extensive research we are able to offer a wider range of extra curricula activities. We are pleased to announce that the following after school clubs will be available this half term:

**Tuesday: Science Club with Miss Burrows**

**Monday: Gardening Club with Mrs Colbeck and Mrs Duncan**

The clubs will be held from 3.15 p.m. to 4.15 p.m. and cost £2.00 per session (£14.00 for a 7 - week block). Payment for which club you choose will become available to pay via the Arbor App. The children will leave via the main entrance at the end of the sessions. All clubs will begin week commencing 08.09.25 and end week commencing 20.10.25. There will be no clubs the first week of term.

As you would appreciate places will be allocated on a first come first served basis. There are 20 spaces available. Places will be allocated once payment and permission are received through the Arbor app. If your child is unsuccessful, we will hold their name on a reserve list if any places become available.

Yours sincerely,  
Mrs Whitney  
Deputy Headteacher
